Dear Friends and Professional Colleagues:

It is with great pride that we advise you that our firm has been named to the 2009 Bar Register of Preeminent Lawyers by Martindale-Hubbell. This honor goes only to firms which attain the highest ratings by their peers in both legal ability and ethical standards.

We are also pleased to tell that two of our firm's members have received individual professional honors this year.

David Inlander has once again been awarded Illinois Super Lawyer status in the area of general litigation. In addition, Fran Krasnow has again been selected by her peers to be included in The Best Lawyers in America, in the specialty of family law.

These honors have provided us with special satisfaction, because they were received during our firm's 90th consecutive year of the practice of law in Chicago. In recognition of our special anniversary, we marked the occasion by taking out a celebratory ad in the Ravinia program this summer. If you did not have an opportunity to visit the park this summer, you may see the ad in the news section of our website, www.fischelkahn.com.

These remain difficult times for many of our clients. We can assure you, however, that we will continue to provide the high quality and cost effective representation that we have provided for so many years in the past.

We wish you and your families a joyous holiday season, and a happy, healthy and prosperous New Year.

Very truly yours,

FISCHEL & KAHN, LTD.
